

ISABC17

15-18 June 2025
Uppsala – Sweden

Welcome to the 17th International Symposium on Applied Bioinorganic Chemistry.

ISABC17 will be an exceptional opportunity to present and discuss the latest results in Bioinorganic Chemistry.

For more information, see <https://www.isabc2025.com/>

We are looking forward to welcoming you to Uppsala in June 2025.

Topics

- Bioinorganic chemistry for energy applications
- Sensing, imaging and biological tools
- Inorganic chemistry in human health and disease
- Inorganic chemistry of drugs and medicines
- Metalloenzymes and artificial enzymes
- Bioinspired coordination chemistry
- Methods in bioinorganic chemistry

Plenary Speakers

Prof. Christopher J. Chang

Princeton University, USA

Prof. Serena DeBeer

Mülheim an der Ruhr, Germany
